### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: For claim 5 , Zeigler is pertinent , however that device lacks use of a threaded boss for connecting the base to a wall as set forth in that claim. For claims 8,14 Howarth is pertinent but lacks the coaxial connector details set forth. . Nor do other references provide suggestions for use of such features in these devices when viewed in overall context of each claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Neil Abrams at telephone number 571-272-2089.
